OFFICE:

118 and 120 (Company's Building) East Market Street, Indianapolis

Capital, \$600,000.00

Surplus, \$105,000.00

Stockholders' Additional Liability, \$600,000.00

THE UNION TRUST COMPANY is organized under a special law which requires a guarantee of ample financial responsibility, and establishes a state supervision. It must be examined twice a year by the Auditor of State, and may be examined any time he pleases. The safeguards of law thus thrown about it assure correct management. It is authorized to act as executor and guardian, administrator, assignee, receiver or trustee under wills or by appointment of court, and can do business, as a rule, more efficiently and economically than an individual. Its stockholders are liable for twice the amount of their stock.

It acts as agent and trustee in any matter of business, and as financial depository for Building Associations and other corporations.

It buys and sells securities, deals in county and municipal bonds, loans money on mortgage and collateral security.

It furnishes bonds for executors, administrators and guardians in any county in the state. It is a legal depository for court and trust funds.

Interest allowed on deposits of money, which may be made at any time and withdrawn after notice or at a fixed date, and will be entitled to interest for the whole time they remain with the Company.

Executors, Administrators or Trustees of Estates will find this Company a convenient depository for money. It does not receive deposits payable on demand, nor does it do a banking business.

Lends Money on Farms.

WE RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."

We lead in Quality of Work. We believe that Quality should come first always. We pay a great deal of attention to the little details, and as a result our finished plates have a superior printing quality.

It is annoying to a customer to have work promised at a certain time and then be disappointed. Our customers may count on having their work delivered when promised.

We do not claim to be the cheapest engraving house in the West, but we do claim that our facilities are such that we are enabled to quote as low prices as any house anywhere on fine work.

Our facilities for designing and illustrating are such that we guarantee absolute satisfaction.

HAVING had **TWENTY YEARS'** successful experience in securing *Letters Patent*, and having also a thorough knowledge of *Mechanics* as well as Patent

Law, I continue to offer my services to Inventors and Owners of Patent Property, confident of my ability to give entire satisfaction to those who desire the best protection available for their inventions.

I not only procure Patents, Trade Marks, Design Patents, Copyrights, Labels, and all forms of Protection granted by the United States and other Governments on works of Invention and Authorship, but I act as Counsel in litigated cases, or where litigation is expected or threatened. I also make investigations, when a determination of the validity or scope of any existing Patent is desired, upon which to base a purchase of such Patent, or a decision as to whether the manufacture or sale of the invention described in it can be safely undertaken.

TO THE CARPENTERS OF INDIANAPOLIS.

WE call your attention to the line of fine Hand Panel and Rip Saws we are now manufacturing. These saws are superior in every respect. In the grade of steel from which they are made, in their finish, and especially in their easy running and fast cutting qualities, they can not be surpassed. Our "Silver Steel" saws, branded "damaskeened," we believe to be the best hand saws on the market to-day and are sure that a trial would convince you of it. They are made right, look right, and work right, and we guarantee that they **are** right. Our line is large and very complete. We make special saws to order. Step into any Hardware Store in the city and ask to see Atkins' Hand Saws, or call at our salesroom at the factory.

Yours truly,

E. C. ATKINS & CO.

WE RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."
